

Family Information Liaison

Ok, Tansi, Hello, My name is Janice Randhile and I am the Family Information Liaison for Southern Alberta. My area of coverage includes Calgary, Lethbridge, Medicine Hat and all the First Nation communities within the area. The Family Information Liaison Unit (FILU) is helping the families of the Missing and Murdered Indigenous Women & Girls (MMIWG).

Supports include: providing information on the national inquiry— gathering case information— connecting families with elders and other supports—working with other provinces and territories.

To ensure families are supported I am working collaboratively with Awo Taan Family Wellness Centre and will be available to families in the Calgary area.

The upcoming dates I will be available are:

Tuesday March 6, 2018

1:00pm — 4:00pm
